Grady-Concerned about Livin Clean, he had some people come up to him expressing their concern over the treatment of newcomers, name calling etc after the meeting outside. Also, a newcomer at Chicken Cook Off was told by a trusted servant of Livin Clean to leave because they felt the newcomer was loaded.

Crystal- New Beginnings has their Fall Equinox meeting Sept 20 at 7:30 at 301 NW 10th St Bentonville

Brenda- Said that there were members that come to Second Chance saying they shouldn't be talking about outside issues and she is aware they shgouldn't but reminded us they are mostlky new and if we had suggestions to please let her know. But felt that they were just sharing their lives and where they are and that's ok.

Debbie-suggested reading a statement at the beginning of the meeting to clarify what should and shouldn't be said, opportunity to teach the newcomers.

Alicia- Needs help for Final Frontier, wanted to know if it's a problem with the group or personalities that is hurting attendance? Brought up that it was especially bad on literature nights. Wanted to know if people had heard why people are not coming. She also spoke to the VA about allowing their inpatient people to come to Final Frontier, they need support. Jim- Outside of meetings is not our business, some meetings need to die off-it's the way NA goes sometimes. Book studies are not attractive to newcomers, reminded us as people sponsorship is our gift IP on sponsorship was a good source Meetings gift was??? (my fault do not know what was said).

9/8/18 Regional Convention Report

We are officially 5 weeks pre-convention at this point. If you haven't registered or reserved your room, please do that ASAP. The price for registration will go up on Sept 21st and the discount for the rooms end 1 month before the convention. The weekend of the convention there are several local events that are going on including a craft fair and a football game, so if you want to stay in the hotel you'll want to reserve that now. The discounted rate is \$115/night.

We have booked a comedian for Saturday night and may be adding another comedian as well. There will be a DJ and dance both Friday and Saturday night. If you have anything for auction or raffle please give it to a committee member.

The next ASC meeting is 1 week prior to the convention. If you want to volunteer please let us know. We will need people to chair workshops, stock the hospitality room, sell convention merchandise. We are meeting by phone or virtual meeting at this point so we can get more done without having to set up meetings. If you want to actively participate you must let me know so you can be added to those discussions.

We are getting a list of restaurants and places to go within walking distance since we aren't having a banquet Saturday. The information will include a few local places of interest for any out of town guests that might want the info.

Convention registration will open at 3pm on Friday, but we will be there at 11am or noon to start setting up. If you want to serve, plan to show up. If you have an card games or board games that you would be willing to donate, then bring them or if you have a game you want to play while you're there, you can bring that to the hospitality room.

In loving service, Alicia A.

9/8/18 NWAANA Webservant Report

There were minimal changes done in the past month, but there have been many changes in the past several months. If you haven't taken the time to look at our website, please do. I noticed several changes that need to be made to the regional meeting list and sent those to the webmaster for the Region. I am also updating the phone lines list for the Region and will be making the changes there as well. If there are changes to your meeting, you need to let me know and then those changes need to be called into the helpline so that addicts calling that number will get the most up to date information.

There are flyers and events that have been posted for NA activities/events going on nearby that our members may be interested in attending. If you see something that needs to be taken down, let me know so we can discuss it.

There are contact forms on the website to submit requests for literature, subcommittee and group events, etc. Feel free to utilize those contact pages. If your homegroup would like to post a potluck night as an "activity" so those who are looking for something "social" to do, let me know.

I will be adding an option for people to register for the convention on our website. They will still need to send in payment to have their registration confirmed, but this way they can register with their info.

I will be submitting a motion today that would allow the posting of NA phone and virtual meetings. I received a lot of good info about this at World and feel it may benefit those who aren't able to get to face to face meetings. I am working on putting together some website guidelines and meeting list guidelines. If you have any input or experience in this area, please contact me.

In loving service, Alicia A.
