Secretary Report: Hannah S. read minutes and they were accepted without opposition.

Treasurer's Report: Opening Balance given by Charles N. Opening balance is \$1,919.12

prudent reserve = \$665.82 working balance \$7325.89. Charles reported that after reviewing the information from the audit it may be better to start with the balance we have today in the bank and move forward since there are no outstanding checks and the one check that hadn't been cashed for HIPPR has been voided. There were 3 group donations in July 2022 that were recorded, but couldn't find the deposit. P12 is one of the groups and they went back to see if the check had cleared and it hadn't. Alicia will review all the information from the audit and provide a report back at the next ASC.

H&I

- Ashley Jo reports that there was a lull in sign ups that left us with no one going in one week in October. As of now we only have one open date for the end of the year, Dec 25th, which might not need to be filled due to the holiday, she is checking with Chaplin. Also reporting desire from more members to be approved for carrying the message into the CCC facility!
- September 2023: Chaplain Dixon of Benton county advised they are still in the works on getting another 12 step program into the facility, they have not ruled out NA but they would like to get the other 12 step meeting established before working on another project. He did say all books are welcome and we can stamp with our NA website and Helpline number. He advised to bring the books to the Benton Co Sheriff's Office and leave them to his attention. He also extended a thank you for our consideration of serving the inmates with NA.
- No news on the Washington County Jail contact.

Phonelines

- Phone line Training Event - TBD-expected beginning of the year via zoom

Public Relations via HIPPR Questionnaire —2 sided!

We are planning for 2024 and need each group conscience on where to focus our efforts and energy. HIPPR had a strategic planning meeting to brainstorm ideas on how we can serve our areas (my apologies for not spreading the word better). The list below are the ideas compiled, but we encourage you to add a proposed project that your group would like to see happen in our area in the future. Per the PR handbook, PR constitutes 3 groups we are trying to reach during Public Relations: the NA member, the addict who doesn't know about NA, and professionals and the community who has opportunities to refer addicts to our NA groups. We will have another strategic planning meeting in January after questionnaires are returned to further plan, you are all invited! Date TBD. Any questions about this questionnaire please call Crystal S 479-657-3650

Please circle ONE choice in each of the 3 categories. You may add multiple ideas, but please only circle one. On the header of each category you will see the current HIPPR Projects.

The Twelve Traditions of NA

First Tradition

Our common welfare should come first; personal recovery depends on NA unity.

Our First Tradition concerns unity and our common welfare. One of the most important things about our new way of life is being a part of a group of addicts seeking recovery. Our survival is directly related to the survival of the group and the Fellowship. To maintain unity within NA, it is imperative that the group remain stable, or the entire Fellowship perishes and the individual dies.

Second Tradition

For our group purposes there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

Our direction in service comes from a God of our understanding, whether we serve as individuals, as a group, or as a service board or committee. Whenever we come together, we seek the presence and guidance of this loving Higher Power. This direction then guides us through all our actions. [...] When we choose a member to serve us in some capacity, we exercise mutual trust.

Third Tradition

The only requirement for membership is a desire to stop using.

The Third Tradition encourages freedom from judgment. It leads us on the path of service toward an attitude of helpfulness, acceptance, and unconditional love. [...] Addiction is a deadly disease. We know that addicts who don't find recovery can expect nothing better than jails, institutions, and death. Refusing admission to any addict, even one who comes merely out of curiosity may be a death sentence for that addict.

Fourth Tradition

Each group should be autonomous except in matters affecting other groups or NA as a whole.

Each group does have complete freedom, except when their actions affect other groups or NA as a whole. If we check to make sure that our actions are clearly within the bounds of our traditions; if we do not dictate to other groups, or force anything upon them; and if we consider the consequences of our action ahead of time, then all will be well.

Fifth Tradition

Each group has but one primary purpose—to carry the message to the addict who still suffers.

What is our message? The message is that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live. Our message is hope and the promise of freedom. When all is said and done, our primary purpose can only be to carry the message to the addict who still suffers because that is all we have to give.

Sixth Tradition

An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.

Within the limits established by Tradition Six, we have tremendous freedom to carry the message of recovery and help other addicts. We have clear boundaries set by our identity as Narcotics Anonymous. When we take care to observe those boundaries, our outside relationships enhance our ability to carry the message to the addict who still suffers rather than diverting us from our primary purpose.

Seventh Tradition

Every NA group ought to be fully self-supporting, declining outside contributions.

By encouraging our group to pay its own way, the Seventh Tradition gives our group the freedom to share its recovery as it sees fit, not obligated to outside contributors. Further, it gives our group the freedom that comes from inner strength, the strength that develops through applying spiritual principles.

Eighth Tradition

Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

In this tradition we say that we have no professionals. By this, we mean we have no staff psychiatrists, doctors, lawyers, or counselors. Our program works by one addict helping another. If we employ professionals in NA groups, we would destroy our unity. We are simply addicts of equal status freely helping one another.

Ninth Tradition

NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.

NA groups join together, combining their resources to create service boards and committees that will help them better fulfill their primary purpose. Those boards and committees are not called to govern NA; they are called, rather, to faithfully execute the trust given them by the groups they serve.

Tenth Tradition

Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.

There are a great number of addiction-related issues that others might expect a worldwide society of recovering drug addicts to take positions on. [...] Our answer, according to Tradition Ten, is that our groups and our fellowship take no position, pro or con, on any issues except the NA program itself. [...] For our own survival, we have no opinion on outside issues.

Eleventh Tradition

Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

The existence of a public relations "policy" implies the importance of a public relations "program" in carrying out our fellowship's primary purpose. [...] As NA groups, service boards, and committees, we deliberately and energetically cultivate good public relations, not as an incidental result of our normal activity but as a way to better carry our message to addicts. [...] Public anonymity helps keep the focus of our public relations on the NA message, not the PI workers involved.

Twelfth Tradition

Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

Anonymity is one of the basic elements of our recovery and it pervades our Traditions and our Fellowship. It protects us from our own defects of character and renders personalities and their differences powerless. Anonymity in action makes it impossible for personalities to come before principles.

Twelve Concepts for NA Service

First Concept

To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.

The primary responsibility of an NA group is to conduct its recovery meetings, carrying the message directly to the addict who still suffers. Groups join their strength in the service structure, ensuring that other services—H&I, PI, literature development, for example—are fulfilled effectively and without distracting the groups from their own primary purpose.

Second Concept

The final responsibility and authority for NA services rests with the NA groups.

The groups have final responsibility for and authority over the service structure they have created. By fulfilling their responsibility to provide their service structure with the conscience and ideas, people, and money it needs, the groups also exercise their authority. Conversely, the service structure must always look to the groups for support and direction.

Third Concept

The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.

In day-to-day matters, the groups have given our service boards and committees the practical authority necessary to do the jobs assigned them. This is not a blank check issued to the service structure; the groups still bear final authority. To make Concept Three work, we must carefully select trusted servants.

Fourth Concept

Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.

Leadership is very important to the welfare of our fellowship. The essay on this concept describes an array of leadership qualities to be considered when selecting trusted servants.

Fifth Concept

For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.

In defining a single point of decision for each service assignment, we eliminate confusion about who has authority to do what. We also clarify accountability for our services: whoever is given the authority for a particular task will be held accountable for the fulfillment of that task.

Sixth Concept

Group conscience is the spiritual means by which we invite a loving God to influence our decisions.

Group conscience is the means by which we bring the spiritual awakening of the Twelve Steps to bear in making service-related decisions. It is fundamental to our fellowship's decision-making process. It is not, however, merely a euphemism for "voting" and is not itself the NA decision-making process.

Seventh Concept

All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.

All members of a service body bear substantial responsibility for that body's decisions; therefore, all of them should be allowed to fully participate in its decision-making processes. NA service is a team effort. The full participation of each member of the team is of great value as we seek to express the collective conscience of the whole.

Eighth Concept

Our service structure depends on the integrity and effectiveness of our communications.

Regular communication is essential to the fulfillment of all these concepts, and to the integrity and effectiveness of our services themselves.

Ninth Concept

All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.

To check judgment, to guard against hasty or misinformed decisions, and to invite the sharing of new ideas, our services must consider all viewpoints when making plans. This is essential to the development of a fair, wise, balanced group conscience.

Tenth Concept

Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.

The Tenth Concept encourages us to treat each other with respect in the service environment, and provides us with a means of making amends when we wrong others. The essay describes ways in which an individual who feels he or she has been wronged can go about seeking redress of his or her grievance.

Eleventh Concept

NA funds are to be used to further our primary purpose, and must be managed responsibly.

The Eleventh Concept establishes the sole absolute priority for the use of NA funds: to carry the message. The importance of that priority calls for total fiscal accountability. Direct contributions to each level of service help us focus on our primary purpose, and enhance accountability.

Twelfth Concept

In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

Within the context of the Twelve Concepts, as a body, this concept serves much the same function as Tradition Twelve in the context of the traditions. It brings our consideration of concepts for NA service back to the spiritual root of selfless service. "A structure based on that foundation could only be one of service, never of government."

A workshop to understand the principles applying to financial custody and accountability in NA services.

I. Background – Why are we here?

When Service Structure Finances have been in disarray

When Accounting for Events is inconsistent or non-existent

Negative effects on the service structure

Negative effects on the relationship between members and the fellowship.

!! The traditions are the guidelines that keep our fellowship alive and free

1 Personal Recovery Depends on N.A. Unity

The First Tradition makes clear that if we are to thrive as individual members, as groups, and as service committees, our common welfare—the good of NA as a whole—must be at the forefront of our consideration. Just as the description of our symbol in the Basic Text points out, there is room within our universal program “for all manifestations of the recovering person,” there is room in Narcotics Anonymous for many different ways to live our principles, carry the message, and help NA grow and reach more addicts in more places. One size does not fit all, and unity does not equal uniformity. We don’t have to do it like everyone else. Creative action of the spirit takes many shapes and forms throughout our Fellowship. Our personal recovery depends on NA unity. Our experience of unity in Narcotics Anonymous allows us to recover in an atmosphere of acceptance, freedom, and love. The freedom we gain as members of NA offers us courage to participate in the life and growth of our Fellowship.

2. A Group Conscience is our ultimate authority

It’s extraordinary for an addict to get clean. In NA, we not only get clean but recover together in unity, carry a message, and fulfill service obligations. Tradition Two tells us this is possible because we are united under an ultimate authority. This Tradition frees each of us from the dangerous belief that we are in charge, or that some of us are more important than others. Seeing this Tradition at work in our groups offers a vision of hope. As we apply Tradition Two in our service—and in our lives—we begin to understand the power and grace available to us in surrender.

7. Every N.A. Group ought to be fully self-supporting

Our tradition of self-support keeps us alive and free. We can be creative in the ways that we gather resources and careful in how we use them. We must be very cautious in our relationships with those outside the Fellowship, continually checking our practices and motives to ensure that we are not accepting gifts or support that might compromise our integrity. Tradition Seven invites us to learn more about integrity and what it means to stick to principle without being rigid or ungrateful. When we practice Tradition Seven, we don’t just turn away the donations of others; we demand of ourselves that we step up and meet our responsibilities. We learn that we can care for ourselves and meet our needs. We can thrive and grow as a Fellowship even when resources are really thin. Generosity is an antidote to fear, and when we give freely, our hearts are filled. The value of this Tradition may be hard to see when we are deciding not to ask for help from those outside NA who would gladly offer support, but Tradition Seven in our Basic Text reminds us that “Everything has its price.” Practicing self-support allows us richness beyond measure. When we support ourselves responsibly—as individuals, as groups, and as a Fellowship—we are rewarded in confidence, dignity, and freedom. We are responsible members of society today, and the reward for that is hope for the future.

9. We may create Service Boards or Committees directly responsible to those they serve. Direct responsibility is a critical concept in our lives and in service. It's not just that we are accountable for the work we do; we stay aware of what we are doing, why we are doing it, and who will benefit from our efforts. This clarity keeps us from being diverted or distracted by our egos, or by arguments over territory or control. Narcotics Anonymous belongs to all of us, and it is too easy to mistake our desires and opinions for those of the Fellowship as a whole. Being directly responsible keeps us on track and in proportion. Tradition Nine reminds us where our service bodies fit within NA as a whole. Our service boards and committees are always ultimately responsible to those they serve. In our efforts to practice this Tradition, each of us can learn to communicate more effectively and to practice principles including honesty, patience, and accountability. Tradition Nine helps us to keep our primary purpose constantly in mind as we serve.

III. The Concepts of Service are guidelines for the Service Structure.

1. The NA groups have joined together to create a service structure which ... maintains services on behalf of NA.

The service structure is subservient to groups.

2. The final responsibility and authority rests with the groups
 - a. The groups are responsible for directing the service structure.
3. The NA groups delegate ... the authority to fulfill responsibilities.
4. Leadership qualities should be carefully considered.
5. For each responsibility assigned ... a single point of responsibility and accountability ...
6. Group conscience ... influences our decisions.
7. All members of a service body bear responsibility and should participate.
8. Our Service structure depends on the integrity and effectiveness of communication.
9. All elements of the service structure have the responsibility to consider all viewpoints.
10. Any member can petition for grievance.
11. NA funds are to be used to further our primary purpose.
12. Always Service – Never Government.

IV. What is my part?

1. Group Member – attend business meeting –
 - a. read & understand group treasurer report.
 - b. Ask GSR about area treasurer report and region report.
2. GSR attend business meetings and area service meetings.
 - a. Bring group donations to area treasurer and verify recorded in area accounts.
 - b. Bring Area treasurer report back to group business meeting.
 - c. Read and understand treasurer report from RCM.
3. RCM attend Area Service meetings and Regional Service meetings.
 - a. Understand Area Treasurer report and bring back to group.
 - b. Understand Regional Service Treasurer report and bring back to ASC.
 - c. Make sure Regional Delegate understands and reports activities of World Serv. Committee
4. As your recovery takes you deeper into the service structure take your turn as treasurer, or at least assist current treasurer. You don't have to be an accountant to help. You can simply be present when they are preparing their reports or go with them when they make deposits. By allowing yourself to be taught you are helping the treasurer understand their role, just as a sponsor learns from a sponsee.

V. SZF Hosting Organizer

Selection process comes through the hosting Region. RD and/or RDA is the point of accountability, with the assistance and consent of the Zonal Facilitator.

- a) Duties and Responsibilities
- (1) Site selection for Southern Zonal Forum
 - (2) Flyer production and distribution
 - (3) Generate topics with input from hosting fellowship
 - (4) Utilize local groups for meeting space, when possible. All NA members are welcome to participate in the Southern Zonal Forum. This must be taken into consideration when choosing the facility
 - (5) Hotel details – Anything over \$800 plus tax for meeting space needs approval from the delegates or their alternates
 - (6) Room block – generally ten rooms (with double bed options) for three nights (Thursday, Friday and Saturday Night). Hosting RD frequently checks in with the Facilitator about the number of people that have booked the rooms prior to the cutoff date per the hotel contract
 - (7) Meeting space for the room set up (schematic attached) and have a hospitality room if possible (seating, coffee, snacks, etc.)
 - (8) If needed: projector, screen, and podium
 - (9) Available business center for copying is a plus or a location close by
 - (10) Onsite co-ordination during the SZF (Hotel and offsite needs)
 - (11) Responsible for T-shirt design production and sales with approval from the Facilitator should include one of two logos available on SZF website (\$300 seed money available from the Treasurer) – optional
 - (12) Regular progress reports to update Facilitator
 - (13) Final detailed report about T-shirts/merchandise and hotel expenses to benefit future zonal meetings
 - (14) Scheduling Airport transportation if needed
 - (15) Possible Friday and Saturday night meeting locations – transportation may be needed
 - (16) Host Saturday night event – optional. Seed money available upon approval from the delegates or their alternates
 - (17) Restaurant possibilities nearby
 - (18) Time and Resources for hosting region to plan event
 - (19) Wi-Fi is required for the Business Meeting and Workshops
 - (20) The hosting organizer has the option of providing a Saturday morning recovery meeting. If tech is available, the meeting could be hybrid

Typical SZF Layout seating can be 2 or 3 per table
