HIPPR met Oct 6th at Panera Bread, Bentonville. We reviewed the different components of HIPPR and then conducted an H&I orientation. Several were in attendance, both experienced and new members!! The excitement was palpable and I look forward to doing more with the committee this year.

What does HIPPR stand for??

- H&I - bring meetings into members who can't get out to regular meetings
- Phonenumber - answer calls from addicts and the public
- Public Relations
 - Poster Days - coordinated effort to hang NA poster in the community
 - Public Relations Booths - information booths at community or recovery events
 - Public Relations Presentation - providing information about the existence and viability of NA to the community (ie. professional orgs & groups)
 - IP Racks - placing Information Pamphlets at designated locations in NA racks

H&I:

- Eagle Crest - currently going in on the 2nd Monday monthly
- Benton County Juvenile Detention - not officially going in (I will be following up on this)
 - Washington County Jail - applications are available for trained H&I volunteers. We are still working on days and times to go in (**THANK YOU STEPHANIE for all your work on this!!**)
- Several facilities have requested H&I to come in (will be discussing at the next HIPPR meeting):
 - Salvation Army - Fayetteville - some residents in their treatment program aren't allowed to leave
 - Vantage Point - has expressed interest & I'll be following up with them
 - Community Rebuilding Initiative (CRI) - reached out to get an H&I presentation once monthly
 - Ozark Healing Center
- The impact from ARCNA - the committee brought 15 members with long-term recovery into Dr Paul's Friday morning of the convention. The people from that treatment center wouldn't stop talking about the impression it made on them.

Phonelines: Phonenumber volunteers must be trained every 2 years to remain on the patch list to receive calls. If you're interested in getting trained, let me know.

Public Relations:

- Poster Day - we will be scheduling one soon, keep an eye out for updates
- Public Relations Booths & Presentations - I'm working on setting up a training for volunteers and creating a calendar of events

 - We will be providing an "intro to NA" for Benton County Drug Court participants in phase 1 every other month - schedule and training to be announced
- IP Racks:
 - Washington County Drug Court
 - Leroy Pond Residential Treatment Facility
