- Convention report financials are available on the RSC minutes.

RSC Motions: M2026-02-02 Increase seed money for Arkansas Regional Convention from \$10,000 to \$12,000. INTENT: To provide ample funds to fulfill the mission and purpose of the Convention Committee, which is to plan, coordinate, and conduct the biennial Arkansas Regional Convention of Narcotics Anonymous, given the rising costs of all products and services related to conducting said convention.

Policy Changes: 1.28 Convention Proceeds Disbursements, 1.a. Convention seed Money is \$10,000.00.

Additional Context: The 2025 Regional Convention Budget was \$19,820.00; actual expenses were \$22,932.65; gross revenue was \$28,372.27. \$12,000.00 is far short of what is needed, but moves us in the appropriate direction.

OLD BUSINESS:

- N/A

OPEN SHARE DISCUSSION:

- Crystal S: Announce to your groups about the poster hanging day. April 11 at 10am at Village Inn in Bentonville. This is a great way to get involved; bring a newcomer! You meet at Village Inn and do a short orientation then you drive around and hang the posters which have NA of NWA information on them.
- Megan E: When you're getting people involved - talk about the fun. This approach works better than "we need support."
- Kenneth: The Huntsville meeting needs support.
- Lindsey N- what is the best way to alert GSRs and trusted servants? We attempted to change this ASC meeting due to the Hanging in the Fort but did not receive enough responses. Some people expressed that they do not check emails regularly. The group expressed not wanting to do group texts and the slack channel is not being used consistently so please check your emails.
- Alicia - if you have leftover merchandise she can sell at a conference in May in California for you. She would need to know by April 4th and needs the items by April 17th. No breakable items.

MONEY MOTIONS / TREASURER REQUESTS:

- \$350 for RCM travel. It is within budget.

NEW BUSINESS:

- **RSC Motions: M2026-3-01** Create Ad Hoc task group to investigate separating H&I from Public Relations and Phoneline. Intent: Discuss different options for how to move forward and serve NWA. **Vote: PASSED**
Notes: This is just to investigate what this would look like to separate them out. It can work either way, but you need more people involved in this committee for both situations (either combining them as is for HIPPR or separating them out.) Megan E was appointed chair of the Ad Hoc.

RSC REPORTS

Secretary Report -

Amanda V.

Old business, new business, open sharing, and elections from ARSCNA August 2025 Minutes were read. The information presented was supported. A thank you letter submitted by Laurie S. was also read to the RSC body and is as follows:

Dear Arkansas Region,

I am truly honored to have been recommended by you for the Region, World Board, Zone (RBZ) process. Your confidence in my potential to serve our fellowship on the World Board has meant more to me than I can fully express and I am humbled by the trust you've placed in me.

Regardless of the outcome, the process itself has been beneficial for me. It required deep reflection and personal inventory of my experience in service. The RBZ process expanded my knowledge of our service structure and amplified appreciation for those who serve, particularly at that level! Did you know that World Board members are expected to spend 30-40 days away from home in service each conference cycle and 10-20 hours per week in Board-related responsibilities? Can you imagine? Our

fellowship depends on the willingness of its members to serve-to give our time, attention and resources. It's remarkable that it works at all. I might say miraculous, but what I'm really talking about is that Greater Power and spiritual awakening in each of us. I stand in awe and gratitude on the path of those who've come before, and I pray to leave it clear and enlightened for those who follow.

Thank you, thank you! Love in Service, Laurie S.

Greeting from Central Arkansas,

We currently have 13 homegroups actively participating in our area with multiple meeting locations and times to facilitate the common goal of caring the message to any addict seeking recovery.

Donations - Area brought a donation of \$54.82 to the RSC today.

Activities - Our activities committee meets the second Sunday of the month at 2:30pm. They will hold a "Fat Saturday" Cajun cook off and speaker meeting on February 21st from 6pm -10pm at The Natural State Outpatient building, 924 Main Street, Little Rock, AR 72202.

Convention Committee - Our area voted to increase the seed money for next year's convention to \$10,000.00. They will be hosting the "Recovery Bowl" Sunday February 8th from 4pm-9pm.

\$20 registration includes a square. Additional squares available for \$10. Tee shirts \$20 and limited edition hoodies are available for \$45. They will also be hosting a Recovery after Dark at the Natural State Outpatient building located at 924 Main Street on May 23, 2026, from 4-9. \$15 donation at the door and no addict turned away.

H&I - Hospitals and Institutions meets on the last Sunday of every month at 1:30pm for H&I training at Recovery Central. We are working on 1 new facility bringing the total number of facilities served to 15 facilities. Sarah E was voted to be our H&I chair. At this time all panel leader positions are filled, and we have many members involved in carrying the message Literature Committee - Literature can be purchased at Recovery Central where a surplus is in stock to provide for all local and surrounding areas needs.

Outreach - a Facebook page has been created to keep all who wish to be involved in the know. They have visited multiple meetings in the area to grow support.

Public Relations - PR plans to set up a booth next month on Saturday, February 14th at a Sweetheart Ball put on by a new women's house in North Little Rock. In December, the PR subcommittee members conducted an extensive flyer hanging event in Little Rock.

Subcommittee members posted NA Hotline Flyers at a number of locations throughout the city. PR subcommittee members plan on doing outreach at local high school counseling offices and will provide informational pamphlets as needed.

As this report shows, the Central Arkansas area is very busy in all areas. Our subcommittees work hard to serve our area. The area feels at this time that the number of available sponsors and members actively being of service is in need. The committee felt bringing awareness to the area was best addressed by the workshop held on the 19th.

In Loving Service, Shanon A

- Outreach: Tony B.

We had a fantastic turnout at our Winter Convention last month. Our next annual event will be Serenity on the Lake Campout on Memorial weekend at Old Highway 25 Campground in Heber Springs. H&I continues to bring a panel meeting into Arisa, a treatment center in Searcy, every Friday at 6:00 p.m. PR keeps the IP racks stocked at the police station, DHS, health department, and Arisa. Outreach continues doing a great job visiting home groups across our Area, including our loner groups that are not seated in our Area. Recovery Connection is

thriving and continues to see many newcomers. Several are staying and coming on a regular basis. Recovery Connection is celebrating 40 years this year, and plans to have an event to celebrate. More will be revealed about that. We're still seeing low attendance at Point of Freedom, Vision of Hope, and County Line Recovery, but continue to maintain, and show up at ASC business meetings. County Line Recovery, our newest group, continues to meet at the Salado Creek rest stop on Highway 167 between Pleasant Plains and Batesville. Overall, our area is doing well. We're carrying the message, showing up for newcomers, and our members continue to step up and serve.
In loving service, Angie F.

SUBCOMMITTEE REPORTS

Convention Committee

Chuck B.

Hello family! Registration: We had great participation in pre-registration offering swag. We had a few hiccups with getting registration setup on Friday, we were a little late getting started, but once we were set up, everything ran smoothly. We had members registered from AR, OK, MO, FL, IL, NE, MN, CA, TX, IA, KY, ID, and OR.

Attendees from 4 different local treatment centers. We had 140 pre-registrations and 193 on-site

registrations for a total of 333 total registered attendees. There was a total of 2,916 years, 1 month, and 23 days of clean time reflected in registration numbers (1,065,101 days of clean time). For future consideration: We found that people appreciated smaller swag bags with fewer quality items to use over high quantity items that people throw away. (I'm sure many people still threw away items). We also suggest to have a backup or contingency plan for redundancy in everything involving registration. We could have been more prepared for setting up registration – we made the mistake of heavily leaning on one member to get it set up and we originally planned to do some training for that redundancy but failed to execute. This is why we were late getting set up for registration Friday.

Financials: We had budgeted at \$19,820.00 for this convention. We were over our budget on Entertainment (\$108.49), Hospitality (\$265.91), the Saturday Night Banquet (\$790.33) and the Hotel Expenses (\$1,007.50). (Note: coffee for the meeting facilities were listed under Hotel Expenses). We were under budget on Registration (\$40.50), Programming (\$251.81), Merchandise (\$206.88), and Serenity Keepers (\$121.66). In total we were over budget \$1,254.34.

- Total Income was \$28,372.27.
- Total spent was \$22,932.65.
- We netted \$5,439.62.
- These numbers do not include the \$10,000.00 seed money.

The last time the account was reconciled was 01/07/26 and we have the seed money of \$10,000.00 plus the \$5,439.62 for a total of \$15,439.62 in the account.

I would like to submit a proposal to this body to raise the seed money to \$12,000.00. Through fund raising efforts, we received \$9,105.68 in both functions and donations from member groups and areas. Another \$3,994.19 came in through pre-registration. We as a committee felt that this was a large burden on the committee and the member groups and member areas. Raising the seed money will help to lessen that burden.

It is outlined in the Policy for ARCNA-CONVENTION, for the ARCNA Treasurer to prepare quarterly reports for the RSC. We would like to reiterate the importance and value of this and request that future Convention Treasurers reconcile each quarter prior to those reports. And that the report be made available prior to regularly scheduled RSC quarterly meetings and reviewed and discussed in the RSC Administrative Committee.

The Convention bank account address was updated to reflect the RSC mailing address and 100 checks were ordered for the next convention committee.

NOTEWORTHY: Roughly, May/June 2025: Debit card was compromised – we had dozens of fraudulent charges – we changed all passwords and recouped – the majority of charges were declined, but reminder to maintain diligence in checking both contact information and online accounting.

Programming: Overall, there was a variety of programming and speakers and there were no complaints we received about the content of the workshops or speakers.

Some noteworthy comments from members were:

- 1) For the future, maybe only two workshops at a time. We received several comments that our convention may not have been large enough for more than two workshops at a time.
- 2) We received positive feedback on scheduling in four main speaker meetings as opposed to the typical three main speaker meetings we've had in the past.
- 3) We had workshop speakers from Oklahoma, California, Missouri, Illinois, Iowa, and Kentucky, and all those workshop speakers came on their own dime. The takeaway is that we can get a ton of experience from outside our state to come share their experience, strength and hope without paying for travel.

Entertainment: Maybe have more than one option each night for entertainment. For example, it

was suggested that we could have had the dance and the comedian at the same time providing an alternative from which to choose. Some enjoyed the comedian, while others absolutely did not. Friday night we had multiple activities and Bingo was a big hit!

Future takeaway: provide multiple options for entertainment each evening. (options that required more participation from the members were reported as more enjoyable, (i.e. spades, dominoes, and especially Bingo!)

Merchandise: All feedback we received regarding the variety of colors and styles of shirts was positive. We had a unique style of Mugs, quantity 50, and we sold out, with the exception of some that were broken in transit. I did not have the merchandise available at the time of this report to determine how many shirts were left, but it was minimal.

Hospitality: Pizza, taco bar and breakfast were all positive experiences and feedback.

For future notes:

1) Budget more than you think you need (lots of intangibles to adjust for like ice, coffee, running out of snacks, etc.).

2) Consider a larger quantity of volunteers so that volunteers can rotate and enjoy the convention.

Overall, we had positive reports from the hospitality room.

Serenity Keepers: The Serenity Keepers were awesome for us! The volunteers were present, available, recognizable, and helpful. We do have the vests to pass on to the next convention committee so there should not be any expenses involved in the future.

Saturday night meal – This ended up being a big hit! We spent roughly \$3,290.00 to feed between 250-275 people. A banquet for 250 people at the hotel would have cost us \$10,000.00 for a limited menu at the hotel.

We received lots of positive feedback about this meal, but there were some that reported it would have been nice to have had it at the hotel. Again, it would not have been possible for the budget and seed money we currently have.

A few more notes: We arranged to have main speakers and invited workshop speakers to come on Thursday evening. We collectively attended the local meeting and had reservations at a local restaurant where we shared a meal. The attendance at the local meeting encouraged more local members of NA to attend the convention that weekend per feedback received from several local members. On Friday morning, a number of us were able to go to the local recovery center and bring in a meeting that was reminiscent of an H&I panel meeting. There were roughly 15 of our speakers and committee members in attendance there and I think there was over 300 years of clean time for those roughly 15 people. I was one of the least in clean time with 16 years. The NA message was carried in a powerful manner at this meeting. There was a positive experience for their residents, and many came to our convention as a result where new relationships between those attendees and experienced members continued.

After the local recovery center meeting, most of us went to the church where the Saturday night meal was held and set up the tables and chairs for the meal to happen the next evening.

The shared comradery that developed over these events on Thursday evening and Friday was palpable and provided an opportunity for unity to develop before we all hit the hectic, sometimes frenzied schedule that follows for a committee. It was an incredible experience for those of us on the committee getting to know and be of service with each other and the speakers.

I would highly recommend and encourage future convention committees to plan something similar. Banners and treasury items (such as reports and check books) are with Alicia and merchandise is with Chuck.

In loving service, Chuck B.

Policy and Procedures

Wendy B.

I wholeheartedly endorse this revised policy. When the Arkansas Region was created over 40 years ago, we still used typewriters, landlines, and snail mail. Amendments and revisions to our

Guidelines/Policy and Procedure have been like generational add-ons to the original family homestead. It is time to rebuild.

Our true guidelines are the 12 Steps, the 12 Traditions, and the 12 Concepts. Our policy provides transparency and reference for the ways we accomplish our Regional Services. The handbooks and appendices provide procedure for continuity through trusted servants. Many thanks to Jennifer D. for applying her skill set to this daunting project. Through numerous one-on-one and group collaborations, she was able to strip repetitive and obsolete language, apply consistent formatting, and arrange information for a more intuitive flow. While this living document shall remain a work in progress, the updating and streamlining should free us to more actively provide real services to our members.

Website: There is a link so that any group, campout, or service body can “submit an event” directly at www.arscna.org. Please use this link even if you don’t have all the details or a flyer yet. It will help other Areas to show support by not scheduling several events on the same date when possible.

BMLT: All meetings have been updated that were received. The BMLT has been cleaned up and most unpublished meetings have been removed.

Phoneline: Updates to the NA Screens will be submitted to the answering service, to include the new members of the RSC. All trainees from the helpline training workshop held on November 01, 2025, in Searcy, Arkansas have been added to the Patch List. All phoneline volunteers must meet the 1-year clean-time requirement and have phoneline training every 2 years.

Calls per Area received: Below is a list of the calls received by the answering service, as recorded.

- 11/4/25-Caller inquiring about starting a new meeting in Broken Bow, OK. The caller was transferred to 2 RSC members before a 3rd member was able to assist the caller.
- 11/15/25-Caller hung up before any information could be gathered.
- 11/22/25-Caller needed some meeting information and was patched to NWA-Rogers phoneline volunteer for assistance.
- 11/25/25-Caller hung up before any information could be gathered.
- 11/28/25-Caller wanted to speak to someone in the CRANA area. The caller was transferred back and forth between 2 volunteers before the call was returned by the answering service and the caller’s questions answered.
- 12/10/25-Caller has a question about the meetings in the NWA-Rogers area. Patched to phoneline volunteer in NWA area.
- 12/18/25-Caller was seeking to add more meetings in the Springdale area. The call was patched to a phoneline volunteer.
- 1/15/26-Caller is reporting a meeting closure in Greenbriar and is seeking information on how to start a new meeting. The communications Coordinator assisted the caller.
- 1/29/26-Your Message Center noticed a correction needing to be made on the meeting list website. An email was sent to the Communications Coordinator, and it was then forwarded to our web servant for review.
- **Secretary’s Note** 70 total incoming calls were recorded for this quarter.

Twilio: I have asked our Area Treasurer to reimburse me in the amount of \$10.66 for December 2025. The RSC Treasurer and I still need to meet to add the ARSCNA debit card to our Twilio Account.

Social Media: I am including the links to our social media accounts and have posted the ARSCNA Regional Committee Meeting flyer to our Facebook page.

Project Insurance Ad Hoc

This Ad Hoc Committee was dissolved, as a final motion was sent back to areas in November of 2025.

Communications Ad Hoc

Jennifer E.

The Communications Committee met virtually twice as well as hosted a workshop on January 15, 2026. Another workshop was conducted prior to the Day 1 of the RSC meeting. We have decided to put forth a proposal to send the Policy Manual out for approval from areas. We are aware that some portions of the policy will still need revision in the future. However, we would like to send the following documents to areas so they are able to be in use after one final look from the committee chair: Policy Manual, Social Media Manual, and the Treasurer's Manual.

OLD BUSINESS

- M2025-11-01: For ARSCNA to purchase liability insurance with coverage up to \$1,000,00.00 from Berryhill Insurance Group, quoted at \$3020. Due to quote age (30+ days), please approve the amount not to exceed \$3500. Policy to cover all AR Region groups and meeting locations; certificates to cover events available upon request at no additional charge. Insurance will cover events in close proximity to Arkansas.
 - INTENT: More and more, meeting locations are requiring groups to obtain liability insurance. In accordance with the 11th Concept which states: "NA funds are to

be used to further our primary purpose, and must be managed responsibly.”, a regional policy allows ARSCNA to meet this growing need in a cost-effective way, reducing the financial burden on groups so they can better focus on carrying the message.

- Policy Change Information: Will add a budget line item. Will be added to the definition of ARSCNA. Will be added to Treasurer's duties.
- Additional Context: Several groups are already required to provide coverage with policies ranging from \$300 - 600/year. Other groups have mentioned looking for a new location and finding that they will be required to provide coverage.

SUPPORTED

- CAR #1 Approve the revised IP #21, Staying Clean in Isolation, contained in Addendum A, as Fellowship-approved recovery literature to replace the current IP #21, The Loner—Staying Clean in Isolation
 - **SUPPORTED**
- CAR #2 To adopt the collaboratively created 2026–2029 NA World Services Strategic Plan contained in Addendum B.
 - **SUPPORTED**
- CAR #3 To hold the World Convention of Narcotics Anonymous (WCNA) every 5 years, beginning in 2028. The location to be determined by the World Board based on fiscal and geographic considerations that lend themselves to, at minimum, a revenue-neutral event.
 - Possible Amendment #1 - alter to every 3 years
 - Possible Amendment #2 - split into 5-year rotation schedule and fiscal/geographic considerations
 - **SUPPORTED preferring 5-year rotation**
- CAR #4 To direct the World Board to create a project plan for consideration at WSC 2029 to research and explore the opportunities and obstacles of providing booklength pieces of literature to the incarcerated, on tablets, in addition to the IPs and audio version of the Fifth Edition Basic Text that already exist on inmate tablets.
 - **SUPPORTED**
- CAR #5 To direct the World Board, to implement artificial intelligence (AI) interpretation solutions for WSC meetings (both in-person and virtual) to replace the current human live language interpretation.

We're Building a New Resource Page on

usa-na.org

Help us strengthen our fellowship by sharing your experience, tools, and projects!

We are collecting materials to highlight resources and current efforts that:

- Expand NA in rural areas
- Reach marginalized communities (Who's missing?)
- Provide mentorship & training for consistent service

💡 We're also looking for current projects already underway that align with our focus areas of rural communities, marginalized communities, and mentorship.

✉ Send us your materials!

Together, we can create a fellowship-wide resource hub that inspires, supports, and strengthens NA services across the U.S.
